

HydroMassage® Pricing Matrix

Model	300 / 320 Models	340 / 350 Models	440 / 450 Models
Description	<u>The Strength You Need</u> Upgrade to the 300 models and get a complete range of massage strength levels to handle both the most sensitive and demanding clients.	<u>Setting the Standard in Performance</u> Go from “massage treatment” to fully interactive “massage experience”. The 340 / 350 models have been recognized worldwide as the best equipped massage systems to meet the needs of any business.	<u>New in 2015</u> Building upon the rich history of HydroMassage innovation, the Lounge offers a new approach to the traditional massage experience. A 35% smaller footprint makes the Lounge ideal when space is limited.
