

HydroMassage For Corporate Wellness

Benefits of HydroMassage

- **Increased workforce productivity and morale:** Helps employees reduce stress and mentally recharge for 10-15 minutes
- **Wellness center utilization:** Incentive for a larger percentage of employees to begin using the fitness center
- **Tech-based recruitment and retention tool:** Displays the company's commitment to wellness
- **Cost effective and available 24/7:** Eliminates hassles and expense of hiring massage therapists

“Without hesitation, I will recommend HydroMassage to anyone who is looking to relax, reduce stress, as well as relieve aches and pains. Having HydroMassage has been a boost to my health and well-being.”

Lee Iacocca, Ex-President / CEO
Chrysler Corporation
